Subject: Bias by RTE
Date: Friday 8 January 2021 13:31:30

I believe RTE has become unlistenable for those who cherish Christian values such as the sanctity of all human life from conception to natural death and those who believe in Catholic Christian values whether they be in the business, society or the political world or in the arts. The bias against President Trump and the promotion of Joe Biden and Senator Kamala Harris is an international example of that bias and the continuing attack on the conservative Catholic church is a home example of bias and the promotion of the liberal statements of Pope Francis is another example of this bias.

Kind regards, Richard N. Greene,
Chairman of the Alliance for the Defence of Family and Marriage (ADFAM).
